

PRATHVEE RAJ SINGH

Etawah, +91 8839330009, prathvee.singh_cs.aiml23@gla.ac.in

GitHub: <https://github.com/prathveeraj>

EDUCATION

Bachelor of Technology in Computer Science with Specialization in AIML & IIOT, GLA University, Mathura.	June 2027
Intermediate from KV 2, Gwalior, M.P	May 2022
High school from KV 2, Gwalior, M.P	May 2020

INTERNSHIP/ TRAINING EXPERIENCE

AI-900-Microsoft Azure Data Fundamentals – Microsoft

August 2025

- Covers fundamental AI concepts and services on Azure, including machine learning, computer vision, and natural language processing. Suitable for AI beginners.

PROJECTS

Water Leakage Detection| IoT Devices – Arduino UNO, Flow sensor, I2C, Ultra Sonic Sensor, etc.

- Developed a smart system to detect and monitor pipeline leaks using sensors and real-time data analysis, enabling early alerts to minimize water loss, prevent infrastructure damage, and improve overall water management efficiency.

Tech Stack: IoT Sensors

- Developed a smart system to detect and monitor water leaks in pipelines using sensor data and real-time processing.
- Implemented threshold-based and anomaly detection techniques to identify leak patterns and trigger alerts.
- Built a simple dashboard/interface to visualize water usage, detect leaks, and notify users for timely action.

VoltXChange: AI-based Smart Energy Optimization System.

- Engineered a self-learning energy trading system reducing grid dependency and maximizing renewable energy utilization.
- Leveraged DQN to automate decision-making for energy storage and trading in dynamic pricing environments.
- Deployed model as a cloud-based API enabling real-time, scalable energy management.
- Designed analytics dashboard to visualize energy flow, savings, and trading insights.

SKILLS

Technical Skills:

- Languages: Python.
- DSA & Problem Solving.
- Web: HTML, CSS.
- Tools: VS Code, Google Colab.

PROFESSIONAL ACHIEVEMENTS/ INSIGHTS

- Diploma in C and Python from Emotech Software Solution Pvt. Ltd.
- Secured 3rd rank in Tech-Expo (Project Exhibition) at GLA University.
- Attended TEDX GLAU 2024.
- Skill Cred Data Analyst Course.

CO-CURRICULAR ACTIVITIES

- Participated in **Codathon**, GLA University (October 2024,2025).
- Secured 1st Position in **Wrestling** at GLA University.
- Secured 2nd Position in **Tug of War** at GLA University.
- Secured 1st Position in **Kabaddi** at GLA University.
- Secured 3rd Position in **Shot Put** at GLA University.
- Runner up in State Level Painting Competition, Uttarakhand.

DECLARATION

I hereby declare that all the above mentioned information is true and correct to the best of my knowledge.
