

KARTIK GAUTAM

+91 9351950558 | kartik1022mg@gmail.com | Uttar Pradesh

EDUCATION

B.Tech in Computer Science & Engineering (AI & ML)

GLA University, Mathura

2023 – Present | CGPA: 7.0 / 10.0

Class XII (CBSE)

DAV Centenary Public School | 2023 | 69%

Class X (CBSE)

DAV Centenary Public School | 2021 | 82%

CERTIFICATIONS

- Microsoft Certified: Azure Fundamentals (AZ-900)
- Microsoft Certified: AI Fundamentals (AI-900)

PROJECTS

Health Diagnosis System

- Developed ML-based web app for preliminary health diagnosis using symptoms
- Implemented data preprocessing, model training with Python & ML libraries

Surveillance Car (IoT + AI)

- Built smart surveillance vehicle with real-time object detection
- Integrated Python, hardware for autonomous navigation & video streaming

TECHNICAL SKILLS

- Programming: Python, Java
- Tools: Power BI, Microsoft Azure, Machine Learning, Data Visualization
- Other: Data Analysis, Problem Solving, AI Fundamentals

ADDITIONAL INFORMATION

- Strong foundation in AI/ML and Cloud with hands-on projects and Microsoft certifications
- Quick learner passionate about consulting, data analytics & technology strategy
- Languages: English (Fluent), Hindi (Native)
