

Akshat Bansal

Aligarh, +91 6363511657, akshat.bansal_cs.aiml22@gla.ac.in

EDUCATION

Bachelor of Technology in Computer Science, <i>GLA University, Mathura</i> , CGPA-6.3	June 2026
Intermediate, DPS School, Aligarh, 68.4%	May 2022
High School, DPS School, Aligarh, 76.2%	May 2020

INTERNSHIP

Embrizon	Aug 2024 – Sep 2024
- Developed a stock price prediction model using time series analysis techniques such as moving average, exponential smoothing, and ARIMA. - Analyzed historical stock price data to identify trends and forecast future stock prices, providing valuable insights for decision-making.	

PROJECTS

Drink and Drive Detection with Ignition Lock	March 2025 – Present
- Developed a system to detect drunk driving using a sensor integrated with a vehicle's ignition system. - Implemented machine learning algorithms for classification.	
Recommendation System with Frontend	January 2025 – February 2025
- Built a recommendation system that suggests items based on user preferences and behaviours using collaborative filtering. - Developed the frontend interface using HTML, CSS, and JavaScript to display recommendations in a user-friendly format. - Integrated the backend recommendation model with the frontend to provide real-time suggestions.	
Stock Price Prediction System	
- Built a stock price prediction system using time series forecasting methods such as ARIMA, moving average, and exponential smoothing to predict future stock prices based on historical data. - Developed a user-friendly frontend interface using HTML, CSS to visualize predicted stock prices and trends.	

SKILLS

Technical	Professional
- Machine Learning - Data Analysis - Power BI Developer - Microsoft Excel	- Effective Communication Skills - Team Work - Creativity

PROFESSIONAL ACHIEVEMENTS/ INSIGHTS

- Certified in Foundations: Data, Data, Everywhere by Google Career Certificate – Coursera
- Certified in Data Science by Embrizon.

DECLARATION

I hereby declare that all the above-mentioned information is true and correct to the best of my knowledge.
