

# ATUL KUMAR

+91 7889714018 | [atulmtr01542@gmail.com](mailto:atulmtr01542@gmail.com) | [Linkedin](#) | [GitHub](#)

## EDUCATION

GLA University | *B. Tech, Computer Science (AI & ML)*

Aug 2026

Baldeo Public School | *Intermediate, PCM*

May 2021

## WORK EXPERIENCE

IIT Jammu | *Research Intern*

Present

- Conducted research on EEG-based Brain-Computer Interfaces (BCI) for motor imagery analysis, implementing Python-based preprocessing and feature engineering pipelines using ML libraries.
- Gained hands-on experience in biomedical signal processing and AI-driven neurotechnology, leveraging supervised learning for model training and evaluation.

Eduiety pvt ltd | *CTO*

- Served as CTO, leading development of dashboard and application systems using Python, Flask/FastAPI, and AWS to enhance performance and scalability.
- Managed full-stack and AI/ML operations, building and deploying models with modern engineering practices and cloud services, improving scalability and performance.

## PROJECTS

Real-Time News Updater System | [Real-Time News Updater System](#)

- Implemented a Python-based ETL pipeline using NLP libraries to extract key topics, entities, and trends from 100+ global news sources every 15 minutes
- Built a Flask dashboard with smart search powered by text embeddings and AI-generated headlines to deliver interactive visualizations and summaries

Real-Time Smart Surveillance System | [Real-Time Smart Surveillance System](#)

- Developed a Python and OpenCV-based real-time inference pipeline using deep learning models for live object and emotion classification with alert notifications
- Created a FastAPI service for remote-enabled on/off control, FPS monitoring, and automated saving of flagged images to MongoDB for audit and review

AI Voice Receptionist Agent | [AI Voice Receptionist Agent](#)

- Designed an AI-powered voice assistant to handle real-time customer calls for College reception.
- Managed appointments, schedules, and bookings through natural, human-like conversations.

Smart Yoga Mat (Hardware) | [Smart Yoga Mat \(Hardware\)](#)

- Developed a Smart Yoga Mat (ZENMAT) with smartwatch integration to track heart rate, calories, and duration, offering real-time AI-powered personalized yoga guidance and posture correction.

## SKILLS

- Programming Languages:** Python, C++, R
- Libraries/Frameworks:** ML Libraries, Flask/FastAPI
- Tools/Platforms:** AWS, Render
- Databases:** SQL, MongoDB
- Soft Skills:** Teamwork, Leadership, Real-world Problem Solving, Effective Communication

## CERTIFICATION

- Certified in Artificial Intelligence with Python: Coincent:  
<https://drive.google.com/file/d/18kBIFE54sjcsretfwXdznFOh33GSiQKM/view?usp=sharing>
- Earned Kaggle certification in Intermediate Machine Learning: Kaggle:  
<https://drive.google.com/file/d/150g2Zv3pofz-n0nIPtR2oJ4BdAxobQOs/view?usp=sharing>
- Earned certification to Deep Learning with hands-on model building: Deep-learning:  
[https://drive.google.com/file/d/1wkj4JUsSAs2aq3n-A1lAFfz7\\_mk65YB5/view?usp=sharing](https://drive.google.com/file/d/1wkj4JUsSAs2aq3n-A1lAFfz7_mk65YB5/view?usp=sharing)
- Earned Tableau Certification in Data Visualization & Business Analytics: Tableau:  
[https://drive.google.com/file/d/1IHFdAiwfgwkhAR7FrsgjDFf1Z1pBj-6R/view?usp=drive\\_link](https://drive.google.com/file/d/1IHFdAiwfgwkhAR7FrsgjDFf1Z1pBj-6R/view?usp=drive_link)

## HONORS & REWARDS

- Certificate of Appreciation:**Received for outstanding performance at Interns Forge Pvt. Ltd., March 2025
- Second Prize in Best Summer Project Competition:**Awarded February 2025 during College Internship (AI Domain)
- First prize in the hardware category in the internal Smart India Hackathon (SIH):**August 2024
- First place at the Innokshetra-24 hackathon:**Secured September 2024 at NIT Kurukshetra
- Finalist at the SIH-24 hackathon:**December 2024 at Manipal University, Jaipur
