EDUCATION

Bachelor of Technology in Computer Science with Specialization in Artificial Intelligence & Machine Learning, GLA University, Mathura	June 2026
Intermediate, Shriji Baba S.V.M. School, Mathura, 74.6	May 2022
High School, Shriji Baba S.V.M. School, Mathura, 89.8	May 2020

INTERNSHIP/ TRAINING EXPERIENCE

Bluetick.ai

Operational Analyst

Nov 2023 – Nov 2023

- Built a model for identifying inaccurate weight and volume measurements in E-commerce box pick-up.
- Learnt EDA, basics of Pandas and Numpy.

Job Oriented Value Added Course, GLA University, Mathura

June 2023 – July 2023

Trainee

- Learnt SQL, Data Cleaning and Exploratory Data Analysis
- Post completing the training, created a Project named “**Customer segmentation analysis to improve conversion**”, by using MySQL, Excel.

PROJECTS

Customer segmentation analysis to improve conversion (Solo)

June 2023 - July 2023

- I solely contributed to analyzing payment discrepancies and developing solutions to ensure fair compensation for delivery partners.
- Python, Excel, SQL, and data visualization techniques.

Building an AI System for Interacting with Legal Cases (Team)

August 2024 - November 2024

- Developed an AI-powered legal copilot to automate legal research, focusing on retrieving relevant legal information from PDF documents based on user queries.
- Implemented data acquisition, semantic chunking, vectorization, and similarity search, creating a structured knowledge base from legal documents like case studies and statutes.
- Integrated vector similarity techniques and connected with LLMs to generate contextually accurate responses.
- Tools & Technologies: Streamlit, PyPDF2, LangChain, FAISS, Google Generative AI, NLP, and text chunking/vectorization techniques.

SKILLS

Technical

Web development- HTML, CSS

Programming Language- Python, Java

Data- MySQL

Data Visualization- Power BI, Matplotlib

AIML and Data Science- Artificial Intelligence, Machine learning, NLP, Data Analysis & Analytics and python libraries

Professional (Top 3)

Communication Skills

Team Collaboration

Problem solving

Innovative thinking

Leadership

PROFESSIONAL ACHIEVEMENTS/ INSIGHTS

- Certified in Problem Solving by Hackerrank.
- Attended workshop on Advance Excel, conducted by Mr. Mohit Malani (Skillcred Company).
- SQL for Data Analytics by JOVAC.

CO-CURRICULAR ACTIVITIES

- Participated in SRIJAN(A cultural fest , GLA UNIVERSITY,2022)

DECLARATION

I hereby declare that all the above mentioned information is true and correct to the best of my knowledge
