EDUCATION

Bachelor of Technology in Computer Science with specialization in Artificial Intelligence and Machine Learning, GLA

University, Mathura, CPI:-7.03/Percentage:-70.30%

June 2026

Intermediate, Delhi Public School, Agra, Percentage:-89.8%

May 2021

High School, Delhi Public School, Agra, Percentage:-87.8

May 2019

INTERNSHIP/ TRAINING EXPERIENCE

Unified Mentor Pvt. Ltd., Gurugram
2024

June 2024 – Aug

Website Development Intern

- Developed sample templates for company's internal project using HTML, CSS and JSS.
- Developed projects including an image comparison tool, intelligent chatbot, a secure platform for sharing government documents with family members, and a farmer government-aided scheme system with automated recommendations.

PROJECTS

1. AI Based Proctorial Interview System

- Engineered an AI-powered interview platform (MERN, Python/Flask) utilizing Llama-3.1 for dynamic question generation and real-time candidate assessment.
- Built a 360° dual-camera proctoring system leveraging YOLOv8 and DeepFace to enforce real-time cheat detection and zero-spoofing biometric identity verification.
- Developed a machine learning model using Convolutional Neural Networks (CNN) to detect brain tumours from MRI scans, including data preprocessing, model design, and evaluation for accurate classification.

2. AI-Generated Personalized financial forecasting NFT's

- Developed an AI-powered system using time series analysis to generate personalized financial forecasts, integrated with blockchain technology to mint secure, data-driven NFTs for transparent and customized insights.

3. Automated Tongue Image Analysis for Health Diagnosis

- Developed a deep learning-based model to analyze tongue images and identify potential health issues, leveraging CNNs and image preprocessing techniques.

SKILLS

Technical

Python, Mongo DB

Java, React, HTML, CSS & JavaScript

Professional

Effective Communication Skills

Team Work, Interpersonal Skills, Adaptable

PROFESSIONAL ACHIEVEMENTS/ INSIGHTS

- Certified in Machine Learning by Infosys Springboard.
- Certified in MongoDB (introduction to MongoDB)
- Worked on various Data Analytics projects with Mr. Mohit Malani (Skillcred)
- Attended workshop on E-commerce sales and analytics conducted by Mr. Mohit Malani (Skillcred)
- Attended workshop on NLP taken by Mr. Shailesh Mishra, IBM ☐ Attended workshop on Data Mining taken by Mr. Anuj Saxena, IBM

CO-CURRICULAR ACTIVITIES

- Coordinated SRIJAN (Cultural Fest, GLA, September, 2022).
- Participated in MAITREE (Sports Fest, GLA, October, 2022). ☐ Participated in Varchas23 (Sports Fest, IIT Jodhpur, November, 2023)

DECLARATION

I hereby declare that all the above mentioned information is true and correct to the best of my knowledge.
