EDUCATION

Bachelor of Technology in Computer Science (AIML), GLA University, Mathura, 7.66

June 2026

Intermediate, Atomic Energy Central School, Narora, 80.4

May 2021

High School, Atomic Energy Central School, Narora, 89.6

May 2019

INTERNSHIP/ TRAINING EXPERIENCE

Infosys Springboard Internship 6.0, Infosys

Aug 2025 – Oct 2025

Sofia Antony Mary

- Acquired hands-on experience in AI/ML by designing and implementing StockTrendAI, a predictive model for stock market trend forecasting.
- Developed two more project in the internship Nutrient Calculator (Dietary analysis tool) and Loan Defaulter Analyzer (credit-risk prediction model)

Job Oriented Value Added Course, GLA University Mathura

July 2023

Bhupinder Rajput

- Learnt basics of AWS and gained hands-on experience with various AWS services.
- Post completing the training, created a Project named “Wordpress Website with SSL certificate and HTTPS Connectivity”, by utilizing AWS services.

PROJECTS

Real Time Translation Device

May 2024

- Developed a real-time speech translation device using OpenAI Whisper for speech-to-text, Deepgram for voice input processing, and DeepL for multilingual translation, enabling seamless communication across language barriers.
- Integrated real-time audio processing pipeline with live speech recognition, language detection, and instant translation output, delivering low-latency and high-accuracy results.

StockTrendAI: AI & ML Based Stock Analysis and Forecasting Website

Git: [Stock](#)

Aug 2025 – Oct 2025

- Implemented predictive models using machine learning to forecast stock trends and integrated real-time market data for insightful visual analytics.
- Technologies: Streamlit Python, yfinance, Ollama, Mistral
- Algorithms used: Logistic Regression, Random Forest Classifier, Decision Tree

SKILLS

Languages: Java, SQL, HTML, CSS, JS

Databases: MySQL, MongoDB

Machine Learning: Supervised and Unsupervised Learning, NLP, Cross Validation, Predictive Modeling

Data Analytics: SQL Queries, Data Cleaning, Feature Engineering, Visualization (Matplotlib, Pandas)

Tools: Git, Postman, VS Code, Eclipse

Professional Skills: Effective Communication, Problem Solving, Team Work

PROFESSIONAL ACHIEVEMENTS/ INSIGHTS

- Solved 300+ questions on Leetcode
- Certified in AWS by Technical Guftgu.
- Attended workshop on AWS, conducted by Peter Vandael (Amazon Company).
- Attended workshop on NLP, conducted by GLA University.

CO-CURRICULAR ACTIVITIES

- Coordinated Spandan (Annual Fest, GLA, September, 2022).
- Participated in SIH (SIH, GLA, August, 2024).

DECLARATION

I hereby declare that all the above mentioned information is true and correct to the best of my knowledge.
